

High Pressure Water Jetting Operative

Thanks for your enquiry for the above post.

Trade Effluent Services Ltd was established in 1990 and is a family run business providing quality recycling services to a range of utility and commercial customers. We operate throughout the year working with both solid and liquid wastes, applying them to land for agricultural benefit. As part of our ongoing expansion we have recently invested in a mobile centrifuge unit and taken up import of a range of in-vessel composting units from the United States.

We are looking for a motivated, safety conscious Operator to join our Site Services Team. Duties will include industrial cleaning using the High Pressure Water Jetting equipment, CCTV drainage surveys and other site services duties as required.

Applicants must have a current relevant Water Jetting Association qualification and a **minimum** 12 months experience of operating High Pressure Water Jetting equipment. Experience of confined space entry and Breathing Apparatus would also be advantageous. A full driving licence with trailers (B+E) and experience of towing is required for this role.

The nature of the work requires flexibility with some weekend and evening work expected.

Rates of pay are negotiable and will be dependent on experience and qualifications.

Please return your completed application form along with a covering letter to the address above.
