

**HGV Driver Class 1 Tankers ( C+E) (Sandycroft, Manchester)** Excellent rates of pay + overtime

We have recently been awarded new contracts expanding on our existing sludge to land, bulk liquid haulage, and site service operations. We now require a suitably qualified and experienced HGV Driver to join our team in the North West and North Wales area.

You will be required to make collections/deliveries to/from our customer, supplier and in house recycling sites. Work is centred around the waste industry and so can be dirty. Some routes are night out and ADR is an advantage. Hours of work are 50 hours per week plus some weekly overtime and weekend working.

**Duties:**

- Carry out driving and other duties ensuring that:
  - Work instructions are adhered to
  - All H&S legislation requirements are met
  - Transport legislation requirements are met
- To be courteous and professional at all times to customers, colleagues and general public.
- To ensure that daily duties are carried out in a safe, efficient and professional manner.
- To ensure daily vehicle checks are undertaken (defect reports filled out), daily tachographs are completed in accordance with company procedures.
- Report immediately to the Operations Manager any issues that affect operations, observations/comments made by customers (negative and positive) that may improve efficiency or service levels.
- Wear supplied uniform at all times and PPE as required.
- Ensure that all paperwork issued to you is completed in full regarding work you have carried out.
- Ensure that any vehicle and plant under your control is safe to use and is operated in accordance with the manufacturer's recommendations and company procedures.

To make your application please complete an application form which is available for download from [www.tradeeffluent.com/vacancies](http://www.tradeeffluent.com/vacancies) and return with an up to date CV and covering letter by email to [vacancies@tradeeffluent.com](mailto:vacancies@tradeeffluent.com) or by post to:- Trade Effluent Services Ltd, Hugmore House Hugmore Lane, Llanypwll, Wrexham. LL13 9YE.
